Cancelled - The Combined Management of Open Tibial Fractures (Wet Lab Training)

9 - 10 November 2015

Course convened by: Mick Pearse (London) and Jagdeep Nanchahal (Oxford)
Venue: Smith & Nephew Surgical Skills Centre, York

This two day course in York will have an emphasis on a combined approach utilising the latest techniques in plastic & orthopaedic trauma surgery. This is an intensive hands-on wet lab course and is suitable for orthopaedic and plastic surgeons involved in the early or late management of open tibial trauma.

Course dinner will be on the evening of 9th November. Please note, accommodation is not included in the course fee.

This course is intended for UK delegates only. Please contact your local Smith & Nephew representative if you are interested in this course but are not from the UK.

Fee: £345.00
